SUNDAY MISCELLANY.

Mr. Moody preached in Greenfield, Mass., on Tuesday of last week. Some of his friends sent him a check as a compensation, and Mr. Moody returned it promptly, asking that he might be allowed to work in Greenfield for the pleasure it afforded him.

An Alabama preacher has discovered that Daniel who was cast into the lion's den was a colored man, and that his name was Smith. We have some doubts about his being a colored man, but the probabilities are that his name was Smith. Smith is always getting into trouble of some kind.

A Baptist farmer who was short of money, wanted to give something to the missionary cause. So he set apart the proceeds of one hive of bees. The bees improved the shining hives and their owner's first remittance was a ten dollar green-back. This was better than grumbling because he had no money.

Cardinal Lansing recently evinced his earnestness in the temperance cause by residing at an open air meeting on Jerkenwell Green, London, when his eminence dwelt upon the home lessons and comforts which the spread of temperance was bringing to be people of the metropolis and the country.

Thomas Dunsfield is traveling through Monroe county, N. Y., addressing Sulley schools, and distributing among the teachers and scholars cards upon which is printed:

"I ask of the republican party of Monroe county the nomination for County clerk. Your personal influence among your friends I respectfully solicit."

The statistics of the Calvinistic Methodist of England as shown at the recent General Assembly held at Swansea, Wales, give the following totals: Churches, 1,098; chapels and preaching stations, 1,212; ministers, 522; communicants, 106,742; collections, £154,043. There was an increase of 5,167 communicants during the past year.

"See that poor little baby!" said one lady to another standing in front of a store window the other day. "It's cruel mother is setting it afloat on the Ganges in accordance with the Pagan custom. Oh! how can she be so heartless?" They were discussing a picture of the infant Moses by Pharaoh's daughter.

The Rev. Horatius Bonar, D. D. of Scotland who is the author of some of the most beautiful hymns and poetry in the English language, now writes a new hymn, in which he takes strong ground against wearing the cross as a matter of personal adornment. He considers that a Christian lady "whirling through the giddy waltz," with a cross on her neck or in her hair, is trifling with the emblem of the most solemn event in the history of mankind.

The Scotch tolerate no pleasantry in connection with Sabbath breaking as was proved recently to one Jacob King, who was arraigned before the Bailie at Glasgow for singing, "Willie brewed a peck of maut," on the Sabbath. Jacob's defence was that he had not sung the ungodly words complained of, but one of Moody and Sankey's hymns. The Bailie nevertheless fined him twenty shillings for a breach of the peace. It is said that there are hotels in Scotland where champagne is objected to on Sunday because the corks bang military music.

The desire of excellence is the necessary attribute of those who excel. We work little for a thing unless we wish for it. But we can not of ourselves estimate the degree of our success in what we strive for; that is left to others. With the desire of excellence comes therefore, the desire for approbation. And this distinguishes intellectual excellence from moral excellence, for the latter has no necessity of human tribunal; it is more apt to shrink from public than to invite the public to be its judge.—Bulwer Lytton.

DR. C. McLANE'S CELEBRATED LIVER PILLS,

FOR THE CURE OF
Hepatitis or Liver Complaint,
DYSPEPSIA AND SICK HEADACHE.

Symptoms of a Diseased Liver. PAIN in the right side, under the edge of the ribs, increases on pressure; sometimes the pain is in the left side; the patient is rarely able to lie on the left side; sometimes the pain is felt under the shoulder-blade, and it frequently extends to the top of the shoulder, and is sometimes mistaken for a rheumatism in the arm. The stomach is affected with loss of appetite and sickness; the bowels in general are constive, sometimes alternating with lax; the head is troubled with pain, accompanied with a dull, heavy sensation in the back part. There is generally a considerable loss of memory, accompanied with a painful sensation of having left undone something which ought to have been done. A slight, dry cough is sometimes an attendant. The patient complains of weariness and debility; he is easily startled, his feet are cold or burning, and he complains of a prickly sensation of the skin; his spirits are low; and although he is satisfied that exercise would be beneficial to him, yet he can scarcely summon up fortitude enough to try it. In fact, he distrusts every remedy. Several of the above symptoms attend the disease, but cases have occurred where few of them existed, yet examination of the body, after death, has shown the LIVER to have been extensively deranged.

AGUE AND FEVER.
DR. C. McLANE'S LIVER PILLS, IN CASES OF AGUE AND FEVER, when taken with Quinine, are productive of the most happy results. No better cathartic can be used, preparatory to, or after taking Quinine. We would advise all who are afflicted with this disease to give them a FAIR TRIAL.

For all Bilious derangements, and as a simple purgative, they are unequalled.

Beware of Imitations.—The genuine DR. C. McLANE'S LIVER PILLS are never sugar coated.

Every box has a red wax seal on the lid, with the impression DR. McLANE'S LIVER PILLS.

The genuine McLANE'S LIVER PILLS bear the signatures of C. McLANE and FLEMING BROS. on the wrappers.

Insist on your druggist or storekeeper giving you the genuine DR. C. McLANE'S LIVER PILLS, prepared by Fleming Bros., Pittsburgh, Pa.

Sold by all respectable druggists and country storekeepers generally. To those wishing to give DR. C. McLANE'S LIVER PILLS a trial, we will mail post paid to any part of the United States, one box of Pills for twenty-five cents.

For the convenience of the consumer the proprietors of Dr. Sherman's Malarifuge now put it up in 75 cent bottles as well as \$1.60 as heretofore. To those who have used the Malarifuge, it is not necessary to say a word in its behalf; but to those who have shaken in ignorance of it we will say, try it and add your testimony to thousands of others, that it cured you. No other medicine is required, as it is a combined tonic, alterative, cathartic, febrifuge, cholagogue and anti-periodic. CENTAUR LINIMENTS.

[Letter from a Postmaster.]

"ANTIOCH, ILL., Dec. 1, 1874.
"Messrs. J. B. Rose & Co.:
"My wife has, for a long time, been a terrible sufferer from Rheumatism. She has tried many physicians and many remedies. The only thing which has given her relief is Centaur Liniment. I am doing what I can to extend its sale."

W. H. RING.
This is a sample of many thousand testimonials received, of wonderful cures effected by the Centaur Liniment. The ingredients of this article are published around each bottle. It contains Witch Hazel, Mentha, Arnica, Rock Oil, Carbolic, and ingredients hitherto little known. It is an indisputable fact that the Centaur Liniment is performing more cures of Swellings, Stiff Joints, Eruptions, Rheumatism, Neuralgia, Sciatica, Caked Breasts, Lock-jaw, &c., than all other Liniments, Embrocations, Extracts, Salves, Ointments, and Plasters now in use.

For Toothache, Earache, Weak Back, Ache and Cutaneous Eruptions it is admirable. It cures burns and scalds without a scar. Extracts poison from bites and stings, and heals frost-bites and chilblains, in a short time. No family can afford to be without the Centaur Liniment, white wrapper.

The Centaur Liniment, yellow wrapper, is adapted to the tough skin, muscles and flesh of the animal creation. Its effects upon severe cases of Spavin, Sweny, Wind Gall, Big Head and Poll Evil, are little less than marvellous.

Messrs. J. McClure & Co., Druggists corner Elm and Front streets, Cincinnati O., say:

"In our neighborhood a number of teamsters are using the Centaur Liniment. They pronounce it superior to anything they have ever used. We sell as high as four to five dozen bottles per month to these teamsters."

We have thousands of similar testimonials.

For Wounds, Galls, Scratches, Ring-bone, &c., and for Screw Worm in Sheep it has no rival. Farmers, Livery-men, and Stock-raisers, have in this Liniment a remedy which is worth a hundred times its cost.

PITCHER'S CASTORIA.

Mothers may have rest and their babies may have health, if they will use Castoria for Wind Colic, Worms, Feverishness, Sore Mouth, Croup, or Stomach Complaints. It is entirely a vegetable preparation, and contains neither mineral, morphia, nor alcohol. It is as pleasant to take as honey, and neither gases nor gripes.

Dr. E. Dimock, of Dupont, O., says: "I am using Castoria in my practice with the most signal benefits and happy result."

This is what everyone says. Most nurses in New York City use the Castoria. It is prepared by Messrs. J. B. Rose & Co., 46 Dey street, New York, successors of Samuel Pitcher, M. D.
